

CEDAR MILL SCHOOL VOLUNTEER OPPORTUNITIES

2006-2007

The time you volunteer makes a significant difference in our school. You can contribute once a week, once a month, or once a year, in the daytime or evening, at school or at home. Volunteering is an excellent way to learn more about your child's school, become better acquainted with staff, get to know other parents and your child's friends, and help support the educational and community activities that benefit our children.

PLEASE CHECK WHERE YOU CAN HELP!

Your help is always appreciated!
