

Making Music

An After School Class for Children in 1st Grade or Kindergarten

Music is natural for children. They sing, hum, and move with an intrinsic rhythm. What fun it is to sing or drum together, move expressively with scarves, or hip-hop with hoops. We will explore steady beat in many ways, add some musical notation, listen to musical stories, and enjoy the beauty and grace of making music together.

Sherrie Wade has taught Kindermusik in the Cedar Mill area for 14 years. Her studio consists of families with children 18 months through seven year olds. She also taught preschool for ten years and was a junior choir director at her church.
