Lights, Camera, Action

It's "Lights, Camera, Action" in this modern moviemaking class. Students, **age 8 and up**, create all the artistic elements for their movies including characters, costumes & sets. They also handle all of the movie's technical details including using a digital movie camera, digital editing & special effects. From storyboarding to filming, student teams, grouped by age,

will make all the creative & technical decisions. They will even bring their final movies home on a CD for all to see.
