FRENCH FOR CHILDREN

French for Children is a language program designed for motivated students interested in the challenge of learning a new language. We learn through games, activities, acting, singing, reading, listening to tapes of native speakers. The goal is for students to have fun in a safe environment and to maximize their potential to learn French. Group classes are small. Private lessons are also available.

Gloria Black has been teaching French to students in the Portland area for over 15 years. She is a graduate of Boston university in foreign languages, has lived in France and studied in the Sorbonne.

Cost: $112 per session, which consists of eight one hour classes.

The advanced French classes meet Thursdays throughout the year, on an ongoing basis. Please call **(503) 629-5495** if you plan to register your child or if you have questions.
