

# The Wishing Tree...

*Dear Parents:*

*We are excited to share with you that our “WISHING TREE” program is back this year! Each teacher is provided individual pre-made “apples” to fill out with items for their classrooms that they feel would really benefit the children in their classes. The apples will hang on a tree outside the office for parents to pull off and take home to purchase. All the items purchased off the tree are tax-deductible and the school’s tax ID number and information is provided at the tree.*

*The teachers will fill out wishes such as:*

- pencil sharpeners*
- books*
- craft supplies*
- dictionaries*
- CD Player*
- computer software programs*
- headsets*
- sports equipments-basketballs, frisbees etc...*
- instruments*
- music books*

*If you decide to grant a wish, please attach the apple to your donation and return to the teacher. If you would prefer, you may leave the items in the office and one of us will make sure it gets delivered! Also, if you are unable to come inside to grab an apple, please feel free to email us and we would be happy to let you know what your teachers have wished for and pull one for you! (\*\*Children are not allowed to pull apples off of the tree to bring home\*\*\*)*

*Thank you for supporting our teachers!*

*If you have additional questions, please email: [wishingtree@cedarmillptc.org](mailto:wishingtree@cedarmillptc.org) .*

## ...WHERE WISHES DO COME TRUE!!!
