

Thank you for all of your ongoing support! Our Cedar Mill Elementary community wouldn't be the same without all of the amazing family support!

Current and past PTC Meeting minutes can be found on our website: [PTC Meeting Minutes](#)

Please visit myvolunteepage.com and register in the new BSD volunteer management system. Registering in the new system and completing the background check is required for all volunteers.

"Cedar Mill PTC"

*Want to benefit the school even more at our Dine out on March 15th? Use a Scrip Gift Card to pay for your meal! They are available for purchase in the front office.

"Better Impact" is our new volunteer management system that is being implemented district wide. The access portal is myvolunteepage.com. The comprehensive system includes a streamlined application and integrated Background Check. **All volunteers, including new and returning, will need to complete a profile on the new system to volunteer with the Beaverton School District.** In the "interest" section, please include all the schools where you would like to volunteer.

Updates

We need parents to help us plan the **Science and Engineering Fair** coming up in April. Our first planning meeting will be **Monday, March 14 at 7 pm** in the library. We hope to see you there! Contact sciencefair@cedamillptc.org if you have questions

Cedar Mill's winning **OBOB** team, the Fighting Hamsters, competed at Regionals on Saturday, March 6. They put forth a valiant effort winning their first round handily but lost in their second round after a hard fought battle, 48-50. Congrats to 5th Graders Taylor W., Elizabeth S., Madi C., Peyton D. and Calie K.! Thank you for your hard work and for representing Cedar Mill!

The **Cedar Mill 2016 Auction** took place on Feb 27th. The Auction Committee is proud to report that we not only met our goal but surpassed it! Thanks to the incredible generosity of many, we raised over \$57,000 for Cedar Mill Elementary School. These funds will be used to purchase **new P.E. equipment, school wide emergency preparedness kits**, and make **classroom technology** purchases in addition to yearly needs that come up as our student population continues to expand. Thank you to the many volunteers, sponsors, donors and participants who made the event such a success!!! Go Lumberjacks!
